STATE LABOR COMMISSIONER

By Kari Anderson
 Kari Anderson
 Deputy Labor Commissioner II

Notice of Right to Obtain Review - Formal Hearing

In accordance with Labor Code Section 1742, an affected contractor or subcontractor may obtain review of this Civil Wage and Penalty Assessment by transmitting a written request to the office of the Labor Commissioner that appears below within 60 days after service of the assessment.

To obtain a hearing, a written Request for Review must be transmitted to the following address:

Labor Commissioner - State of California
Civil Wage and Penalty Assessment Review Office
PO Box 32889
Long Beach, CA 90832

A Request for Review either shall clearly identify the Civil Wage and Penalty Assessment from which review is sought, including the date of the assessment, or it shall include a copy of the assessment as an attachment, and shall also set forth the basis upon which the assessment is being contested. In accordance with Labor Code section 1742, the contractor or subcontractor shall be provided an opportunity to review evidence to be utilized by the Labor Commissioner at the hearing within 20 days of the Labor Commissioner's receipt of the written Request for Review.

Failure by a contractor or subcontractor to submit a timely Request for Review will result in a final order which shall be binding on the contractor and subcontractor, and which shall also be binding, with respect to the amount due, on a bonding company issuing a bond that secures the payment of wages and a surety on a bond. Labor Code section 1743.

In accordance with Labor Code section 1742(d), a certified copy of a final order may be filed by the Labor Commissioner in the office of the clerk of the superior court in any county in which the affected contractor or subcontractor has property or has or had a place of business. The clerk, immediately upon the filing, shall enter judgment for the State against the person assessed in the amount shown on the certified order.

Opportunity for Settlement Meeting

In accordance with Labor Code section 1742.1(c), the Labor Commissioner shall, upon receipt of a request from the affected contractor or subcontractor within 30 days following the service of this Civil Wage and Penalty Assessment, afford the contractor or subcontractor the opportunity to meet with the Labor Commissioner or his or her designee to attempt to settle a dispute regarding the assessment. The settlement meeting may be held in person or by telephone and shall take place before the expiration of the 60-day period for seeking a hearing as set forth above under the heading Notice of Right to Obtain Review. No evidence of anything said or any admission made for the purpose of, in the course of, or pursuant to, the settlement meeting is admissible or subject to discovery in any administrative or civil proceeding. This opportunity to timely request an informal settlement meeting is in addition to the right to obtain a formal hearing, and a settlement meeting may be requested even if a written Request for Review has already been made.

Requesting a settlement meeting, however, does not extend the 60-day period during which a formal hearing may be requested.
